MEMORANDUM FOR THE RECORD

CIA HISTORICAL REVIEW PROGRAM
RELEASE AS SANITIZED
1999

SUBJECT: SNYDER, Richard Edward
38 984

1. On 15 April 1976 the Japanese Communist Party (JCP) held a press conference in Tokyo and distributed a "handout" containing Subject's name as one of many U.S. Government officials alleged to be affiliated with the CIA. Although the JCP named some bona fide Agency employees, many were bona fide State Department employees or employees of other government agencies who had previously been listed in Who's Who in CIA.

2. The purpose of this memorandum is to document the security files of those Agency employees named by JCP as being formerly assigned to the [13-3] plus those State Department employees for whom a security file exists. It should be noted that the Directorate of Operations is currently in the process of formally notifying those Agency employees formerly assigned to [13-3] of their inclusion in the JCP list.

3. For complete details concerning the JCP exposure, the reader is referred to a memorandum dated 6 May 1976, subject: Exposure of CIA Personnel, which is located in the security file of the same title, #601 818, Volume VIII. Cited memorandum treated those Agency employees currently assigned to the [13-3] and contains pertinent cables relating to the JCP exposure.

4. Comments: Retired State Dept. employee
who was on USIPRS contract May 71 - Aug 75;
former CIA employee, Oct 49 - Sep 50.

1. On 5 March Mr. David McCabe, C/SY/SAS, advised that SNYDER is now in Naha, Okinawa, and that he has not yet been interviewed concerning his Soviet contacts. The interest in interviewing SNYDER is based on our inquiry concerning the possibility he might have known and have been in contact with a Soviet who visited Japan using the alias KOLASOV. McCabe did not have the details but apparently there is a report which will be forwarded to us as soon as some additional information is received in SY indicating that SNYDER may have been in contact with Georgiy Petrovich POKROVSKIY (201-4480), and McCabe asked if it were possible that we had confused the interests in SNYDER, and that instead of KOLASOV that we were really interested in POKROVSKIY. I said I did not know but I would check and advise concerning the interview.

2. In connection with POKROVSKIY, McCabe mentioned that he would be obtaining more information for forwarding to us about Peter R. PETERSON and his connection and contacts with POKROVSKIY. McCabe said that PETERSON, a SY officer, when he reviewed the SNYDER reports which mentioned POKROVSKIY made the observation that he, PETERSON, had known POKROVSKIY in New Delhi and that he had subsequently met him in Tokyo.

3. McCabe indicated SY was concerned and he noted that in connection with the John Discove SMITH case, he was not now completely satisfied that PETERSON may have been providing information sufficient for us to get a complete understanding of his activities in New Delhi. McCabe indicated PETERSON is apparently a bit difficult to control; that he is not always as alert and thorough in his interviews as he should be; and specifically
